

BX/MT/445/G Maelor Open Top Plastic Litter Bin

BX/MT/445/G Maelor open top plastic litter bin.

Tough and robust 90 litre open top litter bin that has the same internal galvanized framework as the round and oval canopied bins, again the lightweight plastic outer is secured to the frame with a key operated locking mechanism.

Features:

- 90% of the standard black bin is made of recycled plastic
- Galvanized frame as standard
- Steel frame supplied with baseplate and fixing holes
- One piece "lock-on" lightweight cover
- Cover made from recyclable material
- Chamfered edges ensure rubbish is directed into the liner with no overspill between liner and outer case
- Removal of outer case and liner allows cleaning of area beneath and around location of bin

Optional Extras:

- Rodent bait base - **BX45 X-PBB**
- Extended legs for concreting into the ground
- Pre-drilled ballasted base for grass and tarmac installations
- Wide range of colours
- Corporate logos and signs
- Replacement liners available from stock - **POA**

Dimensions:

- Capacity: 60 litres
- Height: 820mm
- Width: 530mm
- Depth: 320mm

BX/MT/443 Maelor open top cigarette bin.
