**INSTALLED BY BROXAP**

## *BXMW/CRO Crosby Economy Smoking Shelter*

**Economical, steel framed smoking shelter with ClearView PETg UV cladding and roof. Curved back allows water to shed to the rear.**

The Crosby smoking shelter is available in 2 sizes. The anticipated regulations require that all smoking shelters are not wholly or substantially enclosed and have less than 50% closed area to the perimeter. We have achieved this by adding 50% cover vertically to a side or filling in 50% of the top portion of the side. Please choose which variation you prefer.

### Single Unit Size:

**BXMW/CR03:** Length: 3070mm Width: 2030mm to fit up to 8 people

**BXMW/CR02:** Length: 2070mm Width: 2030mm to fit up to 5 people

Common height of 2270mm.

### Features:

- ClearView PETg UV sheeting giving all round visibility.
- Perch seating.
- Base plate fixing.

### Construction:

- Modular welded and bolted frames made from heavy-duty box section assembled with anti-tamper high strength bolts.
- Hot dipped galvanized to BS EN ISO 1461:1999.

**Cigarette bins available**

**INSTALLED BY BROXAP**

*Close-up of internal perch seating.*

*Please specify when ordering if you require a 50% top side version or a 50% side version.*
